

ADVANCED STANDING PARAMEDIC ORIGINAL COURSE

This pilot program is being offered exclusively at the FLCC Geneva Campus Center

This accelerated pathway is designed for healthcare & hospital providers to supplement their experience with pre-hospital certification as a NYS & Nationally Registered Paramedic.

October 1- December 18, 2025

Online Interactive Lecture | Wednesdays 10a-6p

In-Person Labs | Select Wednesdays & Saturdays 10a-6p

Summative Psychomotor Exam | Wednesday, December 17th

This three-month credentialing pilot pathway is designed to supplement providers with existing NYS EMT certification.
