2022 South Seneca Preceptor List

1/24/2022

To whom it may concern,

Here is a current list of all the approved preceptors we have within our agency. **Students may ride from 0800-2000 hrs 7 days a week.** The only exception to this rule is if you are on a call that is out later, once the call is complete, and the chart/ required paperwork is completed the student must leave. No students are allowed to spend the night at the base.

To schedule ride time contact ADO Kate Loan by Email at kloan@ssaems.org or (607)869-5313 x 201.

Note ride time needs to be scheduled at minimum 2 weeks prior to date of the requested ride time.

Please contact me if you have any questions or concerns.

Respectfully,

Zachary J. Gibeau
